

Get Gorgeous. Go Global. Give Back.

ASH + AMES inspires women to become beautifully balanced, empowers female artisans and gives back to developing countries.

ASH + AMES curates unique jewelry from female artisans around the world, as well as hand-crafts new pieces in New York City. We love sharing the fascinating stories behind each artisan and her mini works of art.

Hosting an ASH + AMES event is beautifully simple:

- You get a sneak peek at the jewelry and insight into the brand.
- You introduce globally-sourced, gorgeously unique ASH + AMES pieces to your friends.
- You can earn complimentary pieces or choose to donate to the charity of your choice.
- We provide the invitation with all the information you need. You simply add a short personalized note and attach it in an e-mail to your friends a few weeks before the event.
- Send a reminder e-mail to your guests a few days before your event.
- An ASH + AMES Ambassador will do all the rest—from setting up the jewelry and displays, to sharing the stories of the artisans and taking orders.

Being a Host is also beautifully rewarding:

1. Retail Credit

You will earn credit toward ASH + AMES pieces to spend that day or evening, based on trunk show sales.
(Sorry, retail credit cannot be applied to discounted items.)

2. 20% Discount

You will receive 20% off retail price on any additional items the night of the trunk show or event.
(These items must be purchased at full retail and are separate from items purchased using Retail Credit.)

3. Charities or School Donation

Instead of earning Retail Credit, you may designate 10% of trunk show sales (excluding tax, shipping or Host orders) to be donated directly to a charity or school of your choice. You will still receive your 20% discount.

PLEASE NOTE:

**Trunk Show Sales are items purchased at retail price; it does not include tax, shipping or Host items purchased at 20% off.*

In order to qualify for Host Benefits, the Trunk Show sales must reach a minimum of \$500 and have 3 unique orders.
